Accounts taken as read. No Auditor's report for March.

II. Hessarghatta Division Executive Engineer's inspection notes suggesting that the whole Water Works should be transferred to the management of the D. P. W. as in Bangalore.

Adjourned to next meeting as the matter is still under consideration.

IV. Mysore Division Executive Engineer's docket No. 188, dated 21st February 1903, forwarding a revised estimate with report, amounting to Rs. 3,790 for completing improvements to the Jeevanarayanakere tank.

Resolved that as the expense already incurred *in re* this work has been borne by Government, further expenditure on the same may also be borne by Government, the finances of the Municipality not allowing the extra charges.

[*Note*.—The Vice-President having since explained that the original grant was a loan from Government and that owing to inadventure, it was not brought to the notice of the Board at their last meeting, the Board at its meeting today resolve that the present financial condition of the Board does not allow of any further expenditure being incurred on the work in question. And the Board cannot but express their regret at the work not having been finished as per original estimate.—(Initialled) M. K. 30—4—03.]
